President's Report – M.U.F.C. – 2012

The M.U.F.C., through the agency of the Blacks and the Blues, continued to provide opportunities for University footballers in 2012. The footballers provided the University with success in the form of student participation and on-field triumph.

M.U.F.C. supported a team that competed at the Australian University Games in Adelaide in September 2012. The Melbourne University team is composed of players from the Blacks and the Blues. The M.U.F.C. Board thanks and congratulates Steven Cerni (Blacks U19's coach) for coaching, managing, guiding and controlling the youthful enthusiasm of our players to Gold Medal status.

This was Steven's first time as Uni Games coach and he has started at the top of the success pile.

At the Australian University level Melbourne University was the undisputed leader in Australian Rules Football at the Adelaide University Games in 2012.

The team was dominant and won all 8 half games contested while scoring almost 500pts total to opposition total score less than 100pts.

In recognition of a great effort by the team the following players were awarded Blues

Jandre Slabbert	Full Blue
Harrie Lay	Full Blue
Will Cunningham	Full Blue
Tyrone Bean	Full Blue
Jordan Foster (Capt)	Full Blue
Ben Hart	Full Blue
Sebastian Nixon	Full Blue
Sam Driscoll	Half Blue
Angus Smith	Half Blue
Rupert Kemp	Half Blue
Lachie Borthwick	Half Blue
Daniel Zambon	Half Blue

The M.U.F.C. Board congratulates each recipient of a Full Blue or Half Blue. Further congratulations go to Tyrone Bean, Jordan Foster and Sam Driscoll on their AUS Green and Gold selection.

The M.U.F.C. continued to provide opportunity for all levels of skill and endeavour to be displayed by students or graduates. The Blacks fielded four senior teams and an U19's side. The Blues have three senior sides and an U19's side.

I thank Steven Cerni (Blacks) and Matt Embling (Blues) for their dedication, management and coaching of the University U19's teams in 2012. The two 'derbys' were played in good competitive spirit. The U19 teams are of critical importance to maintaining a good standard of football for MUFC players. Matt and Steven have ensured that has been in place throughout 2012. I wish Matt Embling well in this further coaching career as he hands the reins of Blues U19's to Jeff Scotland for season 2013. Steven Cerni will continue as Blacks U19's coach in 2013.

The Blacks had a very successful year in B grade. The Blacks dominated the competition with 18 wins from the total of 20 games played. The Blacks seniors were premiers in an awesome display of football on Grand Final day. The Blacks reserves were premiers on the same day setting the scene for the senior team. It was a gritty nail biting victory which was a great display of MUFC spirit.

Congratulations to Charlie Richardson on winning the B Grade competition Best and Fairest.

Matt Kempton, a first year coach, has stamped his quiet, determined and diligent approach to become a premiership coach. Congratulations to you Matt and the Board is certain you will lead the Blacks into A grade with great success. Congratulations to Luke O'Connell, Black's Reserves Coach, on an outstanding effort for season 2012.

The Board notes that Blacks premiership captain Dan Costello has retired to pursue medical studies in Sydney. M.U.F.C. wish Dan well and thank him for his leadership at the Blacks and M.U.F.C.

The Blues had an up and down season for 2012. The impact of serious long term injuries to senior players on the team's fortunes cannot be underestimated. It was a challenging year for first time coach Fergus Watts. The Blues have retained their position in A Grade and look forward to greater success for 2013.

The Blues reserves made the finals but were unable to make their way through to a grand final where they have a history of winning.

The bright light for the Blues this year was the premiership win by the Third XVIII. This team was formally known as the 'Clubbies'. Bob Girdwood coached, cajoled and encouraged a grab bag of "old" players, under 19's, internationals looking to soak up some local culture and anyone standing around at selection time to the most emotional victory of all. Congratulations to the Thirds and particularly their coach and Blues stalwart Bob Girdwood.

The Board congratulates and thanks Andy Smith on the celebration of 50 years' service to the Blacks. Andy that is an outstanding achievement and contribution to life at M.U.F.C.

I congratulate award winners for 2012:

Blues:	Best and Fairest –	Pete Summers
	Chris Brown Trophy –	Justin Quill
	Ted McNamara Trophy –	Thomas Girdwood
Blacks:	Cordner Medal –	Bede Mahon
	Brendan Keilar Medal –	Charlie Richardson
	V.A.F.A. Moore Medal –	Charlie Richardson

I also congratulate Pete Summers and Jack Watts on their selection and representation in the Victorian Amateur Football Association team for 2012.

In 2012 the M.U.F.C. awarded life membership to Andrew Lowcock and Robert “Nugget” Hamilton. I congratulate and thank each of the new life members for their tireless and selfless contribution to the successful operation of M.U.F.C.

The Pavilion renovation and enhancement is a work in progress. The plans for the new pavilion have been finalised. The contract for the construction of the building has been signed. The challenges that arise from such an undertaking cannot be overstated. The plans for the new building can be perused on the Melbourne University Website. On behalf of the Board I thank Emily Dixon, Project Manager, for her unswerving determination and dedication to ensuring the Pavvy refurbishment is completed. The MUFC acknowledges and thanks the Chancellor for her support of this important project for the University. The building project will make the day to day operations for the 2013 season a challenge for all at M.U.F.C. I hope the next president’s report is outlining the opening ceremony.

I would like to thank the committees of the Blacks and the Blues for their work during the year. The day to day operations of the respective teams takes a great deal of effort and dedication. The respective Committees have performed their task very well.

At the end of 2012 both Tony McInerney (Blues) and Justin Gray (Blacks) retired as Presidents of their respective clubs. I thank each of them for their support and co-operation in the conduct of M.U.F.C. operations. Both of them have given dedicated service to their respective clubs and have set the stage for a good time for all M.U.F.C. footballers.

Finally, I thank the members of the Board for their work, advice and wisdom over the last year. In particular I would like to express my gratitude to Andrew Donald who approaches the role of Secretary with enthusiasm and humour. Andrew is keen to promote an Anzac memorial match between the Blacks and the Blues now that both teams are back in A Grade for season 2013.

I would also like to thank Stephen Longley for his tireless work as Treasurer and Public Officer. The task of treasurer of M.U.F.C. would challenge the most resilient of people.

I trust 2013 will be a successful season for both Blues and Blacks. With both teams in 'A Grade', the M.U.F.C. now makes up one fifth of the Premier amateur competition.

Dream Large.

John Carmody.

M.U.F.C. President.

NOTES TO THE FINANCIAL STATEMENTS
31 October 2012

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act Victoria. The committee has determined that the association is not a reporting entity.

The financial report has been prepared in accordance with the requirements of the Associations Incorporation Act Victoria and the following Australian Accounting Standards:

AASB 101: Presentation of Financial Statements

AASB 107: Cash Flow Statements

AASB 108: Accounting Policies, Changes in Accounting Estimates and Errors

AASB 110: Events after the Balance Sheet Date

AASB 116: Property, Plant and Equipment

AASB 117: Leases

AASB 118: Revenue

AASB 1031: Materiality

No other applicable Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as trade revenue are net of any returns or trade allowances.

(b) Inventory

Inventories purchased for sale in the current year, including merchandise and sporting equipment, are expensed as acquired. Inventories expected to be carried and sold over future years, such as books, are capitalised as acquired.

(c) Cash and cash equivalents

Cash includes cash on hand, money market deposits which have a maturity of three months or less from the date of acquisition, which are readily convertible to cash on hand and are subject to an insignificant risk of changes in value.

(d) GST

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case it is recognised as part of the cost of the acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the taxation authority is included with other receivables or payables in the balance sheet.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the taxation authority, are presented as operating cash flows.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF

MELBOURNE UNIVERSITY FOOTBALL CLUB

We have audited the accompanying financial report, being a special purpose financial report, of Melbourne University Football Club, which comprises of the balance sheet as at 31 October 2012, the income statement, statement of recognised income and expense, and cash flow statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information.

Committee members' Responsibility for the Financial Report

The Committee Members of the entity are responsible for the preparation of the financial report, and have determined that the basis of preparation described in Note 1, is appropriate to meet the requirements of the Associations Incorporation Act Victoria and is appropriate to meet the needs of the members.

The Committee member's responsibility also includes such internal control as the Committee members determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Committee members, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies.

Basis for Qualified Opinion

Cash donations, fundraising events and social functions and are a significant source of revenue for the Melbourne University Football Club. The Melbourne University Football Club has determined that it is impracticable to establish control over the collection of these sources of revenue prior to entry into its financial records. Accordingly, as the evidence available to us regarding revenue from this source was limited, our audit procedures with respect to identified sources of voluntary revenue had to be restricted to the amounts recorded in the financial records. We therefore are unable to express an opinion whether these sources of voluntary revenue the Melbourne University Football Club obtained are complete.

Qualified Opinion

In our opinion, except for the possible effects on the financial report of the matter described in the Basis for Qualified Opinion paragraph, the financial report presents fairly, in all material respects, the financial position of Melbourne University Football Club, as of 31 October 2012, and its financial performance, and its cash flows, for the year then ended, in accordance with the accounting policies described in Note 1 to the financial statements.

Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the *Corporations Act 2001*. As a result, the financial report may not be suitable for another purpose.

UNIVERSITY BLACKS

Team Report - 2012

Chairman's Report

2012 was a memorable year for the Blacks.

The seniors secured the club's first B Grade flag since 1964, and only our second ever, with a dominant performance in the Grand Final. The team won 18 of 20 games for the year, finished on top of the ladder with a percentage of 190% and dominated both finals. It was a memorable season and coach Matt Kempton has done a simply outstanding job in blending a team of great character who work incredibly hard and play for one another with passion.

Our reserves also brought home a flag in a thrilling two point finish, having lost a number of players to injury during the game. After a dominant season the win was a just reward for all involved and for coach Luke O'Connell who has done so much for the Blacks in recent times including two years coaching our Under 19s.

Steve Cerni and Buster Mackay coached the Under 19s and Thirds respectively and while they might have enjoyed a few more wins their charges thoroughly enjoyed their football and contributed royally to the famed Blacks spirit of determination and persistence. A particular highlight was the Under 19s memorable victory in Round 18 at the fabled Brunswick St Oval.

Hearty congratulations go to our major award winners for the season:

Life Membership: Robert "Nugget" Hamilton

Cordner Medallist: Bede Mahon

Brendan Keilar Medal and VAFA Moore Medal: Charlie Richardson

A major highlight of the year was celebrating Andy Smith's 50th consecutive year of exemplary service to the club. The pavilion was bursting at the seams for Andy's testimonial lunch featuring tales tall and true covering half a century. It was a memorable occasion recognising an amazing feat and few were prouder of the double premierships than Andy – a most fitting season finale.

Can I again offer warm thanks to the wonderful people who kept the club running throughout the year. To the 2012 committee, football staff, club umpires, MUFC Board, afternoon tea providers, match day officials, medical teams, Melbourne University Sport, Carlton Football Club, Melbourne City Council, meat tray auction squad, bar team, web site authors, social team, Blackspot presenters and all who have maintained the outstanding Blacks tradition of stellar club service. Indeed the premiership is a richly deserved reward for the many, many people who have put their shoulder to the wheel and kept the good ship Uni Blacks sailing safely, through fair and inclement weather, over many, many years. To all these people, we thank you.

Within this context I would highlight the efforts of Ray Wilson, not just in 2012, but in seven years as chairman and many more in recruiting and player welfare. Ray is a force of nature who has made a huge contribution towards driving the Blacks back up through the grades and ultimately to the B Grade premiership. All at the Blacks offer heartfelt thanks to Ray, who was absolutely delighted to relinquish the title of our only B Grade skipper.

The Blacks were fortunate to enjoy the support of excellent sponsors again in 2012. Our major sponsor Bendigo Private Banking Services continued their stellar support as did our long standing sponsor the Clyde Hotel. We were also most grateful to Village, Lithocraft, Madman, James Boag and Murrindindi Vineyard for their ongoing support.

The generosity of our donors from within the Blacks community is a major plank in our financial stability and we offer warm thanks to the many who donate to the cause. We are also grateful for the ongoing support of our Golf Day and AFL Season Launch Breakfast - events that go from strength to strength.

Dave Batten has decided to hang up the boots to study medicine in Sydney after a simply outstanding contribution to the Blacks over many years. We also farewell, perhaps temporarily, our premiership skipper Dan Costello who will also be studying medicine in Sydney. All at the Blacks offer heartfelt thanks to Dave and Dan for their remarkable efforts. A number of other players will be retiring or moving from Melbourne and we thank them all for much valued contributions and of course all past players are always warmly welcome back at the pavvy.

On a sadder note, in 2012 the Blacks mourned the loss of the great Peter O'Donohue, our 1974 A Grade premiership coach and wonderful club man. The Blacks were honoured to have Peter serve our club and will hold his memory dear.

For season 2013 Luke van Kempen will be taking the reins as Chairman of the Blacks. Luke has been a player, captain, coach and secretary of the Blacks and will lead an energetic administration team. Season 2013 will be a challenge in the toughest amateur competition in the state and all at the Blacks relish the task ahead.

In closing may we again extend warm thanks to all who have contributed to the happy life at Uni Blacks and look forward to welcoming you back for the next exciting chapter in 2013.

Chairman – University Blacks 2012

UNIVERSITY BLUES

Team Report – 2012

Chairman's Report

On field, the 2012 season was a difficult one for the Blues – but there was one highlight – a premiership for the Thirds. Sixty seven players took the field during the year to keep the Tertiary Team going. In the end they won three finals in a row, culminating with twenty four stars representing in a great Grand Final win.

The Premiership was especially gratifying as the team was wonderfully coached by Club Legend Bob Girdwood, ably assisted by fellow legend Alan Salter who remarkably had his 80th birthday during the season.

Fergus Watts first season as senior coach was certainly made difficult by a devastating run of injuries to key players. In the end the highlight of the season was the “bleeding” of so many youngsters, including an incredible 5 players still eligible for the Under 19 competition. Elite recruits Peter Summers and Marshall Rippon also made outstanding contributions and if we can add a couple more like them, and reduce our injury list, our young squad will be well placed to return as a force in Premier Division.

Boomer's Reserves naturally suffered from the injury plague as well, but continued to provide great depth to our playing ranks. Unfortunately the unbelievable effort to make the four in the final game of the year couldn't be translated into a finals victory.

The Under 19's only abandoned their aspirations to play finals in the last couple of games of the season. Considering the Senior team's claims on their best players this was a very creditable effort. Coach Matt Embling has not re applied for the job and has taken up an assistant coaching position with Sandringham. I thank him for his tireless work in recent years. It was also great to see some new blood in Chris Pyke and Marty Sammon join the stalwarts Bernie Angel and Frank Henegan in the Unders' support group.

As usual, all of the Office Bearers, Board Members, delegates, sponsors, coaching support staff, award winners and VAFA representatives are comprehensively mentioned in the body of this report. I want to thank and congratulate every single person mentioned for their contribution to the ongoing success of University Blues as a football club.

In particular this year we welcomed past players Tom Wilcox and Andrew Wilson to the committee. Their enthusiasm and their “can do” attitude was like a breath of fresh air at committee level.

Dave Phefley again has to be singled out. His administrative ability seems to have no bounds and his contribution seems to grow each year. We need to make sure we don't burn him out.

One member of Dave's team, Tony Simmonds, also needs special mention. It took a death in the family to keep Tony away one training night. Then on Saturdays, he would support Bob with the Thirds and when possible, come back and run water for the Seniors. A remarkable effort.

Congratulations to the M.U.F.C. Committee on finally achieving the plans for new facilities at the Main Oval. We can single out John Carmody who took on the Presidency on the platform of Pavvy refurbishment and also Bob Girdwood who led the charge over a long period of time.

Financially we ran a small loss this year but fortunately remain in a solid position. The warning remains however that we are so reliant on the Ball and Auction night and on the largess of our wonderful donors.

Special congratulations to two of the year's award winners. Firstly, Justin Quill on the Chris Brown Award. The tireless work Quilly puts into the Blues is almost immeasurable and we would not be in a strong position to launch for 2013 without him.

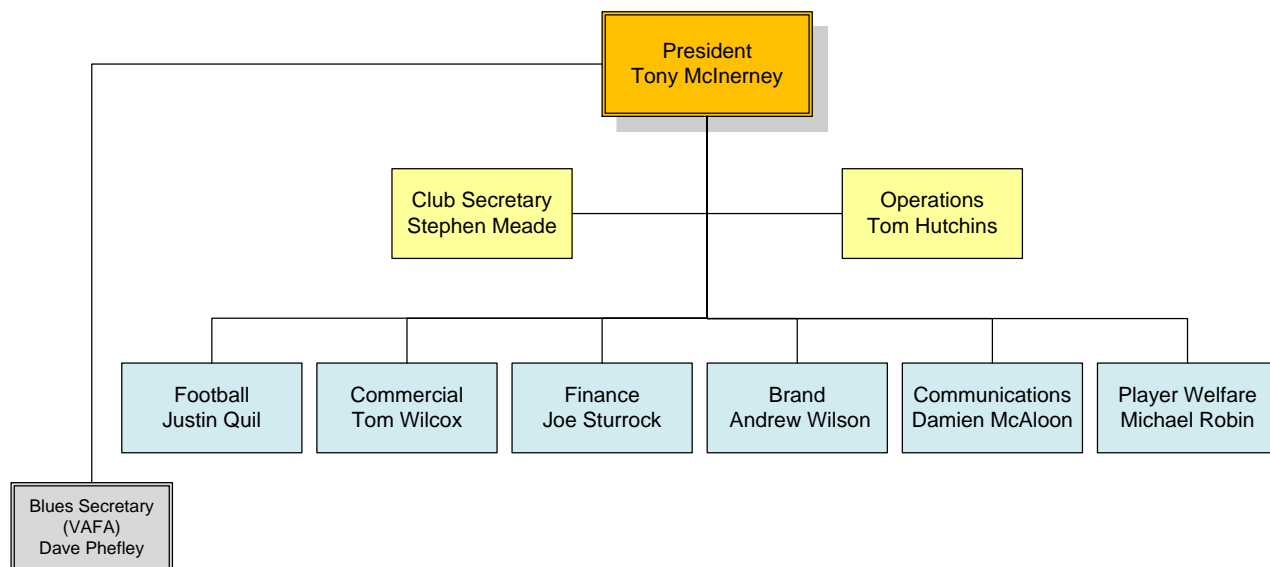

Secondly, congratulations to Andrew Lowcock for his nomination as a Life Member of the M.U.F.C. In the last game of the season, Andrew achieved the greatest number of senior games by any Uni Blues player to cap off a highly decorated career. I cannot think of a more worthy recipient of Life Membership.

Finally I want to thank the whole committee, and especially Joe Sturrock and Chris Reid for stepping up when I had to stand aside towards the end of the season, and for taking up the fight in 2013. The good wishes of the whole Blues family were greatly appreciated. Whilst I am stepping down from my formal role on the Committee, I am also looking forward to many more years of involvement with this wonderful club – and to the success I can feel is coming.
